

Hotel Uvala****

Hotel Uvala is a singular design of Split architect Dinko Kovačić, a mixture of modern, simple design and traditional temperamental Mediterranean surroundings. Culture and spirit of wellness are omnipresent in the hotel, from exotic scents of the interior to healthy restaurant menus. A spirit of well-being is present throughout Hotel Uvala – from the beautifully designed, non-smoking air-conditioned rooms with balconies overlooking Petka Hill or Lapad Bay and excellent spa facilities to the various selections of menus offered at Mantala restaurant. Free Wi-Fi is available in the entire hotel. Enjoy your complimentary breakfast at the summer terrace with magnificent views of the whole bay and the Elaphite archipelago.

This modern 4 star hotel is located in Lapad Bay, a quiet area dominated by the clear blue sea and shady green pine forests, only a short bus ride from the Old Town. The bus stop is located in front of the hotel. Bus tickets can be purchased at the newsstand located within walking distance from the hotel.
